Web Site:

Business started in 2004

Services

We provide to our students all necessary services concerning the program application process, all paper work; we do not provide different services to students depending on the fees charged.

Fees

For ICCP YMCA program we charge our students \$300. Ticket is not included in this price.

If a visa is not approved, we refund \$200.

Other Services

The YMCA representative meets the students at the airport in the US.

We communicate with our contact person in America and also contact the students. The program sponsor will let us know if there is something wrong with our students. We contact our partner and will try to solve all the problems which appear.
